HIGHLIGTHS - ARCHIVING TOP 1 PERCENTILE RANK IN 12TH IN ALL OVER INDIA AND REWARDED BY INSPIRE SCHOLARSHIP

INTERNSHIPS AND TRAINING

10-2020 to 11-2020 (60 Days)
Android Developer Internship - Humom Technology Pvt. Ltd.

05-2020 to 07-2020 (45 Days)
Machine Learning Internship - Azure Sky net Solution Pvt. Ltd. Associated with IIT Hyderabad

10-2020 to 11-2020 (45 Days)
Industrial Training on JAVA - INFOWIZ Software solution Pvt.Ltd. (Java core and advance)

SKILLS

- ❖ **PYTHON**
- ❖ **MACHINE LEARNING**
- ❖ **KOTLIN**
- ❖ **ANDROID DEVELOPMENT - NATIVE**
- ❖ **PROBLEM SOLVING and DATABASE SYSTEM**
- ❖ **COMPUTER VISION and CLOUD COMPUTING - AWS,OCI**
- ❖ **C LANGUAGE**
- ❖ **JAVA SE and ME**
- ❖ **C++ LANGUAGE**
- ❖ **DATA SCIENCE**
- ❖ **FLASK RESTFUL API**
- ❖ **HTML CSS AND PHP**

About Me -

I am a creative thinker,dedicated Very simple in nature and I can easily adopt the changes

I am good in team management skill an I like to work in a team as well as individual.

I am energetic, hardworking, disciplined and Honest, I also have leadership skill and influencing skill.

Hobby -

Poetry writing, problem solving Learn new things, teaching, Cooking .

Interest -

Learning new technology.
Artificial Intelligence.
Coding with Team.
Mobile Technology.
Historical Place Wondering.
Learn to Play Flute, Piano.

Goal and Objectives-

ST - Get a Good job and learn the things, skills.

LT - Become a Data Scientist

COURSES AND CERTIFICATES

- **IBM DATA SCIENCE PROFESSIONAL** - IBM And Coursera
- **MACHINE LEARNING** - Ski-fy Labs , Asure Sky-net Pvt. Ltd IIT HYD

- ➤ **AWS SPECIALIZATION Course** - BY Amazon On COURSERA
- **PYTHON** - Coursera, Hacker rank , Solo learn.

- **JAVA core and adv** - Infowiz Software Solution P.Ltd.
- **C and C++** - INTERNSHALA
- **Android** - Humom Technology pvt. Ltd.
- **OCI** - BY Oracle
- **Some Hackathon Certificates and Webinar attending Certificate**

PROJECTS AND WORK

GITHUB LINK - https://github.com/Sanjeevkumar-kv29

Vasudhaiv Kutumbkam (An Android app)
During Internship I Make a fully functional Mobile Application Vasudhaiv Kutumbkam A Client Application Using most popular Material Designing And super Fast Native Language KOTLIN.

Machine Learning Handwriting Recognition Project
During My Internship of Machine Learning I Make a project With my Team is handwriting recognition project that basically work on KNN machine Learning Algorithm And the Computer Vision technology for reading the images.

People counter and Object detector in Shop using CCTV -
Made a project based on Computer Vision Technology to detect no, of people present inside the shop and also make a project which determine the name of objects in object detector project.

Facial Recognition And Super market Recommendation system
Made a project on facial recognition authentication system and the item recommendation system using machine learning Algorithms For a client in internship.

Java base advance Desktop Contact-book
During my training on java I make a advance contact book for a client , it can store a large no of contacts , with all details and also print it and also automatically remove the log time inactive contact ,Notify the admin via mail id.

up2DateJEC (An Android app)
For Jec 's Clubs I made a fully functional Android Application Which helps student to notify when any notifications publish by any department or by any clubs Using Firebase services and WEB SRAPPING technology.

Some More Projects for Self Learning -
Covid 19 analysis and prediction , java chat system , House cost prediction Doorse App - for maintaining social distancing in college and hostels.

Some Project for Fun - AI sangeet , Janki(currently working) , Love calculator,email bomber app .

Hackthon Participated

- ✧ **INVICTA -** IIITDM Jabalpur
- ✧ **HACKTOMBER -** Github
- ✧ **IDEATHON -** REC Banda
- ✧ **CODATHON -** MANIT BPL

Webinar attended -

- ➤ Placement Readiness Skills & Awareness - MHRD,INDIA
- ➤ Image processing and deep learning - WEC Sangli
- ➤ Carrier guidance webinar for students - JEC ACM
- ➤ Chatbot development using IBM Watson Assistant By TECHMATE

EXTRA CURRICULAR

President at Kaarwaan Jec the Welfare and NGO Society in JEC.

Campus ambassador at Coding Club India.

Coordinator At - IIC Jec (institution innovation council MHRD)

Worked at INDIA Redefined Org. as a social worker

Teaching poor kids in free of cost
